

UniDive

The logo for UniDive features the word "UniDive" in a dark blue, sans-serif font. A light blue graphic is superimposed over the letters "iD". This graphic consists of a horizontal line at the top with two small circles at its ends, which are positioned over the dots of the lowercase "i" and the top of the uppercase "D". A vertical line descends from the right circle, and another vertical line descends from the left circle. These two vertical lines are connected by a horizontal line at the bottom, which then branches into two diagonal lines that meet at a point below the space between "i" and "D", resembling a stylized "D" or a circuit connection.
